

The Vancouver Island Chapter of the CPA held it's exciting Jan 2008 meeting in Nanaimo on the 16th. Lots of lively discussion ensued from the participants who traveled from Victoria, Vancouver and even Calgary! We welcomed new member: Linda Murray from the City of Nanaimo who's only been on the job 8 months. She was assured she had come to the right place for lots of information, networking and (whether she wants it or not:) advice. Special thanks to the University of Calgary for the fashionable, yet sensible, souvenirs.
