

ABOUT MEMBERSHIP

Full Membership (Voting Member)

Organizations must identify one full member who will be the main contact and be entitled to voting privileges for the organization (in accordance with the CPA's by-laws, each organization is entitled to only one vote). In addition to voting privileges, this membership category entitles the member to all benefits, privileges, and special member's rates for conference registration, programs, etc. New company members receive a 20% discount on the first full membership purchased.

Full Membership (Non-Voting)

An organization may hold multiple full memberships, in addition to the voting member. Full members other than the voting member (as above), enjoy all benefits, privileges, and special member's rates, other than voting privileges. Where organizations have multiple regional sites, holding a non-voting Full membership(s) will allow each location to identify a main contact so that communication from the CPA is direct to the regional office and not through the organization's head office.

Affiliate Membership (Non-Voting)

Individuals of organizations holding at least one full membership (Voting Member) may also purchase affiliate memberships. With the exception of voting privileges and receiving direct communications from the CPA, Affiliate members are entitled to all the benefits of membership.

Note: Memberships expire on December 31 of each year.
